This download is offered by **1774** for free, so feel free to spread it to those who might appreciate – if you do, though, *please* include this file. Other than that, we'd like to express our hope that you will enjoy these works, and perhaps even pick up the book on which they are directly inspired: **"The Sorrows of Young Werther"** by **J. W. Goethe** (1749 – 1832).
